1. Reservations

Camp personnel can provide information on the availability of rooms for rent. They will also provide reservation forms. A reservation is only final when the contract, duly completed and signed, has been returned to the Camp by the agreed date and confirmation of the reservation has been sent by the Camp's management.

2. Cancellation and significant changes

Any cancellation of a final reservation results in the payment of a fee equivalent to:

- up to 6 months in advance 20 %
- 3 to 6 months in advance 30 %
- 1 to 3 months in advance 50 %
- less than one month in advance 90 %

of the price for the services agreed.

3. Minimum price per house

Each house is rented for a minimum price as set out below:

Type of rental	House	Minimum price per night [CHF]

	House No 4	250.00

If the minimum price for each house rental is exceeded, billing is calculated on the number of guests, prorated in accordance with the number of children/adults present.

4. Use of common areas

As the Camp can accommodate several groups simultaneously, common areas, i.e. sports courts, pitches and fields, the nature theatre and the chapel in the Rotonde building, will be shared between the groups present on the basis of mutual consideration and dialogue. The same principle applies to the land within the Camp and to its outdoor facilities.

5. Departure from bedrooms and function rooms

Rooms must be cleaned at the end of your stay. We can provide cleaning services (prices on request).

6. Safety

Smoking is not permitted in any of the Camp buildings. Safety instructions are displayed in each building. Some buildings are fitted with a fire detection system. False alarms will be billed to the organisers/hirers of rooms who activate them. **Fires are not permitted on Camp land or in the forest**, with the exception of the special pits reserved for camp fires and barbecues. Use of outdoor games is the sole responsibility of those involved, those responsible for guest groups, i.e. parents and those supervising the children using them.

7. Meals

Breakfast: 8am; Lunch: midday; Supper: 6pm. Requests for different eating hours must be made no later than the day before. Every effort will be made to comply with these requests. Picnics can be prepared instead of main meals on request. Participants organise the serving of food themselves and do the washing up (except for banquets when the washing up is done by Camp personnel). These tasks can be carried out by ourselves if required (prices on request).

8. Pets

Pets are not allowed in the Camp.

9. Responsabilité

Organisers/hirers of rooms are solely responsible for organising the programme for their stay. The Le Camp Foundation does not provide insurance for campers.

10. Selling on Camp land

Selling of goods or services at the Camp is subject to permission granted by the management, and if applicable, the competent authority.

11. Vehicles

To ensure that everyone has a pleasant stay at the Camp, vehicles must not enter the Camp area. Please park your car in Le Camp's parking facility behind the Main Building. Caravanning and camping are not permitted.

12. Respect

Generally speaking and in keeping with the spirit of the Ethical Charter which the Camp is committed to observing for its guests, the Camp expects the latter to adopt a respectful attitude towards other users of the Camp, its personnel, the population of the region, the facilities and the environment.

Any disputes will be resolved through dialogue. Joint use of the Camp with groups from different cultures and practising different activities should be considered as a source of personal enrichment. In order to ensure good relations between different groups and with the village, all forms of "amplified" music are prohibited outside the buildings. If organisers want to put on firework displays, permission must be requested from the management and from the local authorities.

13. Village and beach

You are responsible for the behaviour of your group during activities in the village and on the beach. Please do not disturb the peace of village residents, particularly from 10pm to 8am. Remember to bring bin bags to the beach for your rubbish.

14. Billing and payment

Bills are produced for each group as a whole. A deposit of 50% may be required on hiring or on arrival. The balance must be paid on departure or within 10 days net.

15. Dispensation and special terms and conditions

All requests for dispensation from the general terms and conditions of hire or from the prices in force must be justified and addressed to the management. They will be shown on the contract.
